Walter Pforzheimer, Esq.
3000 - 39th Street
Washington, D. C.

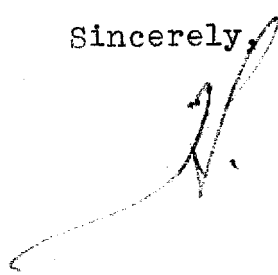

Dear Walter:

The enclosed should be of some interest.
I have gone through all of the lend lease reports.
Apparently no settlement was ever reached.

Please return the same to me after you
have made such use thereof as you can, since they
are very difficult to obtain.

Kindest personal regards.

Sincerely,

A handwritten signature, possibly "W.P.", is written in ink below the word "Sincerely,".
